## **C 3.4 Winter Maintenance 2003-2007**

**In the past, the Winter Maintenance Committee work cycle was unique and covered the entire period from one International Winter Road Congress to the next (i.e. from Sapporo to Torino).**

**PIARC approved an extension of the current C 3.4 work cycle to end after the 23<sup>rd</sup> World Road Congress so that it coincides with the end of the cycle of all other Technical Committees.**

**In the future, the Winter Maintenance Committee work cycle will be the same as that of all other PIARC Technical Committees.**

**Working Groups for each of the PIARC Strategic Plan (2004-2007) issues.**

**Responsible for the Technical Programme of the PIARC International Winter Road Congress.**

**Winter Maintenance Seminar.**
