Governance and Integrity

- **Fighting corruption**
- **Institutional Capacity Building: An instrument to promote good Governance and Integrity**

Governance and Integrity

- People matter and the way they work together
- Laws are not enough

“The ethical ideal is what it would take for any individual to lead a successful and meaningful life. The ethical ideal is thus a deeply individual ideal. The moral ideal is a communal ideal. It is what we owe to each other so that we can each enjoy successful and meaningful lives”
