

SUSTAINABLE INTERURBAN ROADS FOR TOMORROW

David Wright

- Highways Agency (UK)
- Regional Manager
- David.wright@highways.gsi.gov.uk

OVERVIEW

- Terms of Reference
- Process
- Findings and Report
- Presentation sequence

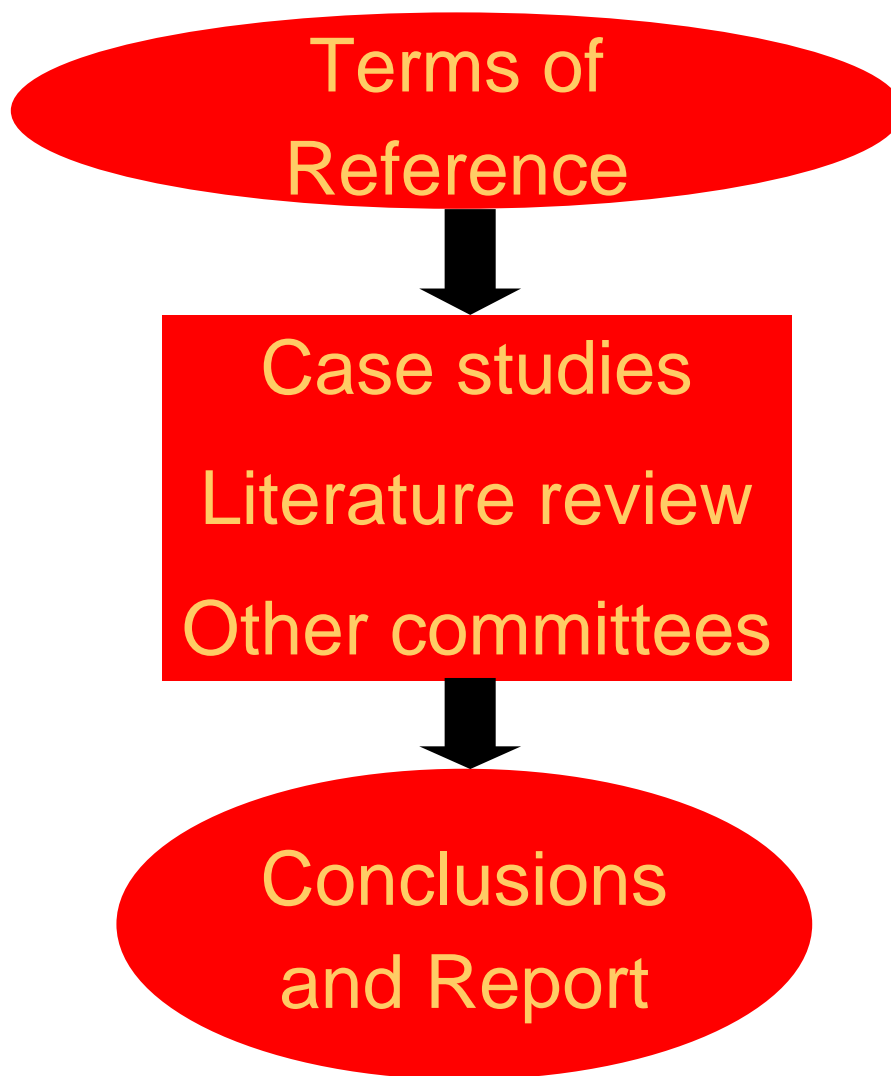

TERMS of REFERENCE

Three primary issues:

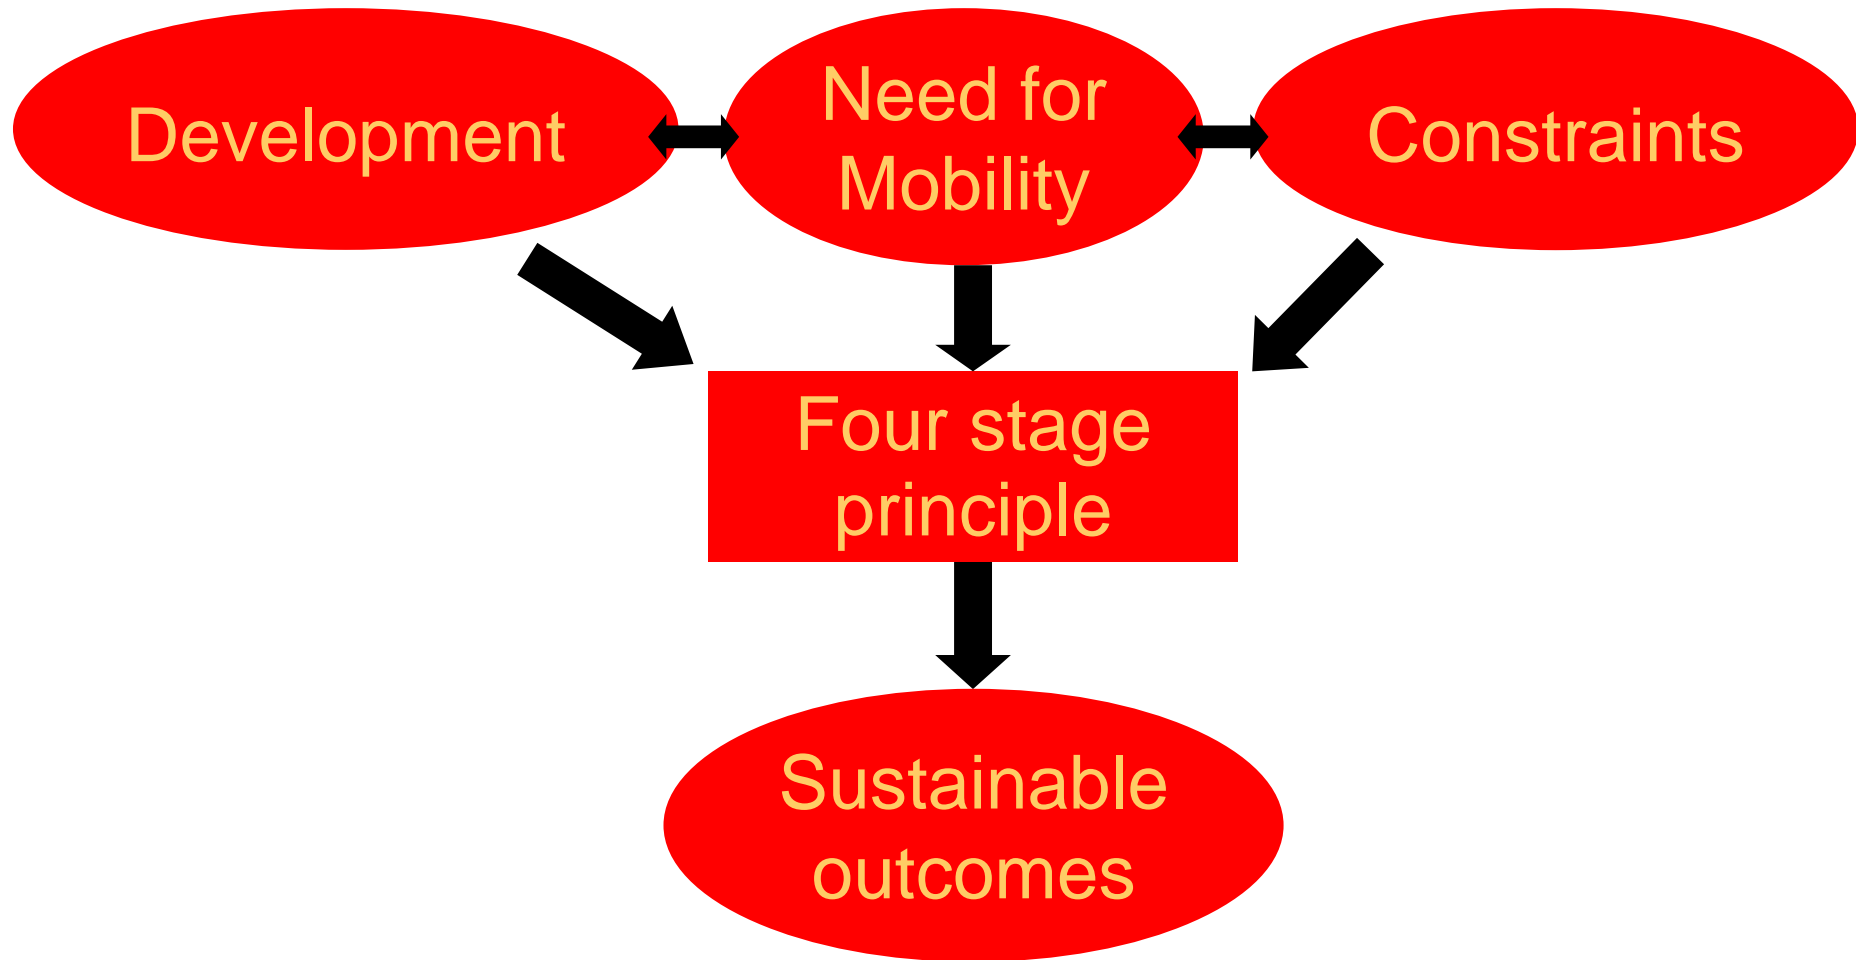

- 1 Sustainable Road Transport as a factor in economic and social development
- 2 Interaction between the development of road and integrated transport and regional and land use planning
- 3 Integration and interoperability of different transport modes in the inter-urban network, to support sustainable mobility
